

Manufacturers Certification Statement

AMERICAN TAX PAYER RELIEF ACT OF 2012 (Title IV “Energy Tax Extenders”)

Texas Amerrock Partners, LP certifies the following insulation products and system products, when properly installed to be “Eligible Building Envelope Components” that qualify for the Federal Tax Credit for existing homes which is allowed under American Tax Payer Relief Act of 1012 (Title IV “Energy Tax Extenders”), section 401, which extends section 710 of the Tax Relief, Unemployment Insurance Reauthorization, and Job Creation Act of 2010 (H.R. 4853):

Please note that FireStop TB alone does not meet the minimum R-Value requirement alone, but used in conjunction with other insulation products will meet the required minimums.

Under penalties of perjury, I declare that I have examined this certification statement, and to the best of my knowledge and belief, the facts are accurate, and complete.

J. Walt Smith
VP of Sales and Marketing
Texas Amerrock Partners, LP

HOME OWNERS RECORDS

The following product has been installed in the home below, which is the primary residence of the following taxpayer:

Taxpayer Name: _____ Social Security Number: _____

Primary Residence: _____

Product Installed: _____ Price Paid for Product: _____

Date of Purchase: _____ Date of Installation: _____

(Must be after December 31, 2011 and before January 1, 2014)

Homeowners can claim a credit of 10% up to \$500 of the purchase price of qualifying products. There is a \$500 lifetime limitation on this credit. All Texas Amerrock Partners, LP products listed above on this certificate qualify for up to \$500. Varied circumstances may apply so the homeowner is encouraged to visit with their tax professional for further guidance. For more information visit www.energystar.gov and www.irs.gov.
